

Sughool FY 2021 北方中学校 保護者連絡 registration steps

Describes 北方中学校 保護者連絡 steps for registration.

* The app screens shown are for the iOS version, but the same steps are used for the Android version. See Step (v) if you would like to receive information by email.

(i) Download the app

Scan the QR code at right or search for "Sughool" in the App Store or Google Play Store to download the app.

* If you have downloaded the app already, proceed to Step (iii).

(ii) Launch the app

On the "Welcome to Sughool" screen, tap "Next," check the boxes indicating that you have read the Privacy Policy and consented to the Terms of Use, and then tap "Launch Sughool."

* Tap on the text next to the checkboxes to view the Privacy Policy and the Terms of Use.

(iii) Choose a channel

If you are a new user, complete "New User Registration". If you are already a user, tap on the button to add a channel. Tap on "Register Using QR Code" and then scan the QR code at right. **When doing so, permit the app to access your device's camera.** The applicable channel will be shown. Tap "Start Registration".

北方中学校 保護者連絡

If you cannot scan the QR code for channel registration

On the registration method selection screen, tap "Enter Channel Code". Enter the following channel code to the input form and tap "Start Registration". The applicable channel will be shown. Tap "Start Registration". (Channel codes consist entirely of single-byte characters)

Channel code **kzcixc4w3asw**

(iv) Register the channel

Enter the following password to the input form. (Passwords consist entirely of single-byte characters)

Password 53sckww7

Because passwords are case sensitive, the passwords are only valid if they are entered in the exact way.

Tap "Add Child," enter the Child ID on the attachment and tap "Next".The name Child and the school year/class are shown at the bottom of the screen. **Add another Child at "Add Child".**

Enter or select the user information and then tap "Next".If the information is correct, tap "Register" to complete registration.

Contact the distributor if you do not have a Child ID form.

(v) Registration complete

Registration is complete once the steps above are finished.

If you want to receive information by email

Load email address

Blank email address t-kitagata-sch+kzcixc4w3asw@sughool.jp

You will receive an auto reply email. Follow the instructions in the email to proceed with registration.

Features available to use are limited when receiving information by email.To use all features, register using the app. You might not be able to receive email from "Sughool" if your email's SPAM filter restricts acceptable emails.

Set your SPAM filter to accept emails sent from the "sughool.jp" domain and then send the email again.

* Check with your carrier if you have any questions about setting your SPAM filter to accept emails sent from a specific domain.

App users who have upgraded to new devices need a "Transfer Code" to transfer information to their new devices.See the FAQ page for more information on "Transfer Codes."
